Methodology

Kaduna State Bureau of Statistics Field Officers were spread across the 23 LGAs to collect the Price Statistics Data weekly, using an online electronic template. The data is use to facilitate the analysis of average changes in prices of some selected commodities. Cooking Gas Prices are collected across all the 23 local government areas of the States.

The average of all these prices is then reported Per KG for each LGA of the State.

KDBS team regularly conducts online verification of prices sent by the field officers weekly.
